All certificates and courses studied at Australian Hair and Beauty College prepare and detail a pathway as to the choice of courses the student may enrol into to further their career within the hair industry.

Course details and levels of qualifications highlighting career pathways within the industry:

### [Certificate III in Hairdressing WRH30106](#)

*Employment:* The Certificate III in Hairdressing has been designed as the standard entry-level qualification for the hairdressing industry. Likely functions in the hairdressing industry for those who achieve this qualification involve employment as a hairdresser working as part of a teaming a salon, performing processes that require a range of well-developed skills where discretion and judgement is required, with responsibility for own outputs, and responsibility for the supervision of others, including apprentices. Functions at this level include applying skills and knowledge to sell products and services, ensuring a safe working environment and performing a full range of client services, including client consultation and advice, hair and scalp treatments, haircutting, hair design, colour and lightening, and chemical reformation services on male and or female clients

*Further Study:* Certificate IV in Hairdressing, Introduction to Trichology

### [Certificate IV in Hairdressing WRH40106](#)

*Employment:* Likely functions in the hairdressing industry for those who achieve this qualification may include employment as a highly skilled hairdresser, working as part of a salon team or coordinating a salon team, a technical advisor with a hairdressing products company or independently as a freelance session stylist. Functions at this level include the self-directed application of a broad range of knowledge and skills and the provision of technical leadership, training/assessing and support to colleagues. A hairdresser at this level may provide specialist services, including haircutting, hair design, hair colouring, complex colour correction. The selection of units for Certificate IV in Hairdressing provides successful applicants with the opportunity to prepare salon apprentices for assessment and to participate in this role, provide employees with valid reliable feedback of their performance, capability to interpret industry standards, supervise staff in an industry that relies heavily on the quality of training and assessment for its salon apprentices.

*Further Study:* Diploma of Hairdressing Salon Management

### [Diploma of Hairdressing Salon Management WRH50106](#)

The Diploma of Hairdressing Salon Management has been designed for owners or managers who wish to develop their skills and knowledge in relation to the service and sales delivery of a functioning hairdressing salon.

Likely functions in the hairdressing industry for those who achieve this qualification may involve managing a salon and employing staff. Duties may include working as part of a salon team and coordinating salon teams. Functions at this level include the self-directed application of a broad range of knowledge and skills, and the provision of leadership and support to colleagues through the development and management of human resource development initiatives. The salon manager at this level may focus on building the business, leading and developing the team, developing and implementing marketing activities, and ensuring all occupational health and safety requirements are maintained.

*Further Study:* Further courses in Business Management or courses for personal career growth.
