Dear Prospective Student,

Thank you for taking the time to enquire about the courses offered by the Australian Hair & Beauty College.

The Australian Hair & Beauty College is a registered training organization with VETAB and on the CRICOS register for International Students. The Australian Hair & Beauty College is on top of the industry trends. We know what skill level our students need to have to be successful in the real world of Hairdressing. AHBC's principal purpose is to provide education.

Students must be 18 years of age at the time of commencement of their course of study.

We continually train our Educators in new trends and industry advances so that the education you attain will prepare you for success. We are leaders in the provision of quality education for contemporary Salons, both locally and internationally. AHBC will not knowingly enroll the student wishing to transfer from another registered providers' course prior to the student completing six months of his or her principal course of study except where the original registered provider has ceased to be registered or the course in which the student is enrolled has ceased to be registered, the original registered provider has proved a written letter of release, the original registered provider has had a sanction imposed on its registration by the Australian government or state or territory government that prevents the student from continuing his or her principal course or any government sponsor of the student considers the change to be in the students best interest and has provided written support for that change.

We offer a variety of courses in the areas of Hairdressing. Students can choose to study individual units of competency, short courses or courses ranging from Certificate III through to Diploma level. International students are required to study full time (20 hours per week). Students gain invaluable practical experience through working with clients in our Student Salon. Your application form gives us an indication of your LL&N requirements and please do not hesitate to contact an appointed welfare officer for information; AHBC will refer you to suitable agencies such as Sydney Community College, an ELICOS centre such as Milton College or the Adult Migrant English Services. Please indicate on your enrolment form if you require extra support during your studies. Please see [www.studyinaustralia.com.au](http://www.studyinaustralia.com.au).

Our modern training facilities provide latest application of educational technology for the benefit of all our students by providing learning guides, DVD's, handouts, and relevant resources. The Australian Hair & Beauty College is maintained as a modern, fully equipped hairdressing salon and teaching environment. Facilities and equipment are set up, checked and maintained regularly to ensure effective and efficient operation.

Assessment methods used at the Australian Hair and Beauty College include: Computer Assessments, Multiple choice questions, Oral, written questions, Skill Demonstrations, Short Answer Questions, Projects etc.

Recognition of Prior Learning (RPL) is available and can be credited toward any of our courses. Please note if you are an international student and you are granted RPL it may affect the duration of your visa. Please see [immi.gov.au](http://immi.gov.au) for information on student visa's and conditions. For further details on our courses or any matters related to enrolment, please visit our website at [www.hairbeautyaustralia.com.au](http://www.hairbeautyaustralia.com.au) or contact us directly on +61 2 9389 0771 or [info@ahbc.com.au](mailto:info@ahbc.com.au).

We look forward to seeing you soon.

Richard Jeans, Principal
